Whatever the occasion, the Arts & Crafts Center provides the opportunity to create special cards in these specialty Make-N-Take classes. Class fee is \$5 with all materials supplied. Take this one-session class March 15 and April 19, 5-7 p.m. *Open to all.

Auto Preventative Maintenance

Learn to keep your vehicle in tip-top condition. The Auto Preventative Maintenance course will teach you about

conducting visual inspections, lubrication, tune-ups, emission control, brakes, tires, electrical system, front-end, air conditioning, and more! The class will be offered on March 17 and April 21, 6-8 p.m. at the Auto Hobby Shop and is open to ages 16 and up. Call 671-3549 for more information.

Featured Artists

Check out the art work displayed at the Arts & Crafts Center featuring the talents of our very own instructors. Many have pieces featured throughout Texas. Perhaps seeing their work will inspire you to take their multiple-level classes offered in drawing, painting, clay work and more. Each instructor tailors their class to your skill level and pace for ages 8 and up.

Open Ceramics Workshop

Whether you're seasoned or novice, the Open Ceramics Workshop offers something for you. You have the opportunity to learn ceramics basics and various techniques. An instructor will guide you in making your ceramic piece and with your supply selections. We offer multiple session classes which allow you to work at your own pace. Our retail section of the Arts & Crafts Center is stocked with new glazes and acrylic stains, as well as ceramic tools for you to use in the workshop.

Ceramics and Pottery

We make learning the ins and outs of ceramics and pottery easy! We suggest starting off with our Pouring Class where you will learn how ceramic molds are poured. This three-session class starts the first week of the month in March and April on Wednesdays and Saturdays. If you don't see the mold you want to pour, how about creating your own by taking the Pottery Wheel class? In this class you'll explore the potential of creating different shapes with the wheel. If you're still not sure about these classes, feel free to speak with any of our friendly staff for more information.

Spurs Dog Tags

Show off your San Antonio Spurs pride with a custom made dog tag from the Arts & Crafts Center. Personal engraving on these unique tags start at \$8 or \$10 for both sides. Call 671-2515.

Please Note

To ensure your spot in any of our classes, please register two days prior to the class date.

*Unless otherwise specified, children younger than 13 years old must be accompanied by an adult 18 years or older in classes.

This class is open to all ages.*

AF Club membership pays! Just ask TSgt (ret) John Carpenter who won an all-expense paid trip for two to this year's Super Bowl. Courtesy of the Football Frenzy program, the Carpenters enjoyed round trip air transportation, hotel, rental car, and tickets to The Big Game. "We were so surprised when they told us we had won, and we really enjoyed the whole Super Bowl experience!" exclaimed John.
